Founded in 1975, GCG Financial, LLC is one of the nation's largest independent organizations specializing in Employee Benefits, Risk Management, Wealth Management and Insurance. We provide the expertise, resources and solutions to deliver an exceptional client experience each and every day.

Our clients expect their personal wealth to grow, their families to be protected and their businesses to prosper. To that end, they want customized, intelligent recommendations delivered by a trusted advisor who is passionate and caring. We work hard to meet these expectations and justify their trust.

Specialty Drug Update (https://gcgfinancial.com/event/specialty-drug-update/)

Wednesday, July 24, 2019 @ 11:00 am CST

High (specialty drug costs for treating some chronic conditions can be as high as $1 million annually for a single plan member) and rising specialty drug costs have become the most important health plan cost driver for many employer groups. The entry of these drugs into the marketplace has raised important economic, health, and ethical questions for all health plans.
