Working Together

Learn More (/about)

Are you thinking of retiring? Call us for a complimentary financial review.

Your money. Your vision. Your retirement.

Welcome to our web site. We are glad you are here!

Victory Wealth Management offers a personal approach to financial planning and investing. Please feel free to look around our site, read about our firm, our associates and our services. We hope you will enjoy discovering how we not only take a personal interest in building a customized financial plan for our clients, we also take a personal role in serving our community. We believe that solid wealth management is but one aspect to living a satisfying life and we work hard to help ensure that your financial future is one area you won't have to worry about. In the same light, we believe giving back to the neighborhoods where we - and our clients - live and work is yet another aspect to leaving a positive legacy.

With a combined 35 years in the business, we know everyone's situation is unique. At Victory, we want you to experience the difference it makes to work with a knowledgeable advisor who listens first. We understand your feelings about money, your future goals and objectives, your tolerance for risk and your time frame before we do anything else. From there, we create a full financial plan tailored specifically suited to your needs.

We hope your visit through our web site will help you gain an understanding of the opportunities and potential rewards that are available by taking a proactive approach to your personal financial future. The concepts behind investing, retirement planning, estate planning, risk management and insurance, as well as, wealth preservation and charitable giving can be confusing. We can and want to help! Working with a skilled professional, executing on a financial plan designed for pursuing your financial goals makes the complex concepts much more simple. Give us a call today to schedule your complimentary consultation. Or, if you just want a second opinion, we would love to see you!

OUR EXPERTISE

How may we serve you today?

COMPREHENSIVE PLANNING (/SERVICES)

The financial management process at Victory Wealth Management begins with an in-depth evaluation of your current financial situation. Everyone's situation is unique!
