FIRM INVESTMENT PLATFORM CONTACT

Proven. Responsive. Advanced.

Symphony is a boutique investment manager that applies a team-based, event-focused approach to rigorous fundamental research, valuation and risk analysis across the corporate capital structure, identifying and translating relative value into desired risk-reward outcomes for clients:

Proven Investment Acumen — We make informed investment decisions with a keen understanding of relative value and the macro risk environment

Responsive Client Service — We strive to exceed the needs and expectations of clients, their advisors and consultants

Advanced Systems & Support — Our business is built on a foundation of adaptable infrastructure in an ever-evolving investment, regulatory and technological market
