**Understanding Today's Financial Environment**

In a world where leverage comes from more than apples-to-apples comparisons, Net Worth Advisors proposes a better way. Our symbol, the orange, represents health, vitality, and growth, where each individual division contributes to a fruitful and prosperous whole.

Our planning process is directed by clients and their advisors. Together we analyze, design, and implement a customized approach that aims to build and secure your net worth..

## **Net Worth Advisors**

### **Our Vision...**

*To help our clients pursue what they would want...if they knew the possibilities.*

### **Our Mission...**

*We strive to protect, preserve, and grow your net worth.*

*"Remember, what does 'retirement' mean? It doesn't mean that you're a couch potato. Leisure is not the same things as rest. If you're bicycling five miles a day, that's leisure, but it certainly takes a lot of effort."*

**Robert Fogel**
