## NEWS & INSIGHTS

20

Feb  
2018

### Awakening the Giants of Inflation and Illiquidity

Perhaps the most widely held belief amongst market prognosticators over the past year was that virtually all public market assets were generally expensive and that volatility was expected to increase.

---

## Your Guide to Impact Investing

We believe the best way to produce a positive impact with one's investments is to invest with intention and insight. Read our impact investing guide here.
