

# GLOBAL SMALL-MID CAP **EQUITY SPECIALISTS**

Lizard Investors LLC is an asset management firm that specializes in international small- to mid-cap equities. Our global expertise enables us to create and actively manage portfolios of quality companies not typically owned by large institutions. We follow a patient, concentrated, value approach focused on generating exceptional returns while protecting capital over the market cycle. We uphold a culture of integrity, independence and outstanding client service. The senior members of the investment team share over 50 years' combined experience and have been together since the firm was founded in 2008.
