FINANCIAL ADVISOR

## Experience

---

Located in Mine Hill, NJ, Michael Babyak is a highly experienced and sought after Financial Advisor with Precision Financial Services, Inc. He is a graduate of Norwich University where he earned a Bachelor of Science in Business Administration and Accounting. With well over 25 years in the industry, Michael has acquired an unrivaled knowledge of financial services, has become an invaluable member of his team, and leads with an impeccable set of values that focus on providing the best client experience possible.

Michael Babyak has earned his place as President of Precision Financial Services. He began in a non-executive role, and through his superior work ethic, Michael worked his way to his current position. When Michael first joined Precision Financial Services in 1998 in the role of Financial Advisor, he immediately excelled. He developed depth of knowledge in strategic planning, insurance, securities, leadership, and financial services and became a LPL registered principal. Mr. Babyak's responsibilities include providing investment advice to clients. Over the past 12 years, Mr. Babyak has lived by the value system to go above and beyond in the advice he provides to clients

Not only has Precision Financial Services, Inc. provided outstanding services for over 50 years, but the company was also founded by Michael Babyak's father. The company began as an

insurance agency that provided estate and business planning for families and small companies and has continued expanding their capabilities ever since. When Michael joined his father in the company, he established an asset-management team, which has become the core of Precision's business. Michael believes in providing top-notch financial services, but he also understands that each client has a different situation and caters his approach to best suit every individual's needs. He and his team work closely with their clients to develop a strategy and provide a customized financial plan.

Growing up watching his father create an esteemed financial services firm, Michael Babyak remains committed to evolving and growing the firm while incorporating advanced services and technology. Mr. Babyak has continually demonstrated his service to his community by serving on committees including the Randolph Township Board of Adjustment, the Randolph Jaycee's, North West Jersey Association of Life Underwriters, Class Agent for Norwich University '92, and the Norwich University Board of Fellows. Outside of work, Michael brings the same level of dedication to his personal life as he does his family life and spends as much time as possible with his wife and two children.
