Wealthfront Advisers LLC (“Wealthfront Advisers”, the successor investment adviser to Wealthfront Inc.) is an SEC-registered investment adviser and a wholly owned subsidiary of Wealthfront Corporation (formerly known as Wealthfront Inc.). Please see our [Full Disclosure](#) for important details.

By using this website, you understand the information being presented is provided for informational purposes only and agree to our [Terms of Use](#) and [Privacy Policy](#). Wealthfront Advisers relies on information from various sources believed to be reliable, including clients and third parties, but cannot guarantee the accuracy and completeness of that information. Nothing in this communication should be construed as an offer, recommendation, or solicitation to buy or sell any security. Additionally, Wealthfront Advisers does not provide tax advice and investors are encouraged to consult with their personal tax advisors.

Wealthfront Software LLC (“Wealthfront”) provides a financial planning service tool designed to aid Wealthfront Advisers’ clients in preparing for their financial futures by allowing them to personalize their assumptions for their financial planning goals. Wealthfront is a wholly owned subsidiary of Wealthfront Corporation, and an affiliate of Wealthfront Advisers.

All investing involves risk, including the possible loss of money you invest, and past performance does not guarantee future performance. Historical returns, expected returns, and probability projections are provided for informational and illustrative purposes, and may not reflect actual future performance.
