## Why Choose Us?

At Ironwood Financial we believe in the fiduciary duty. It's an oath we took to put our clients' interests above our own and it's a standard that we believe all Tucson retirees deserve.

That's why we've built our process to put you first, no matter what. We want to know what drives you, what your values are, and what you really want in life so we can help you achieve those goals and help you thrive in retirement.

It's about your life, not just your money. So let's start there.

# Values Make Us

## Relationship First

Our clients experience a relationship based on deep understanding and mutual respect. Such relationships are, in our experience, fundamental to the success of every wealth management plan. and we strive to make sure that we truly understand your values, goals and vision for the future.

## History Over Fads

With over 20 years of investment experience, we've provided wealth management for clients through a wide range of market conditions. This track record of experience continues to expand our prudent approach and long-term perspective so we focus on what works over, what *sounds good* in the moment.

## Eliminating Conflicts

advisor who works at Ironwood left the “name brand” investment houses because the  
of quotas and recommended house approved investments put the goals of the large  
ad of the client. That's why we act as fiduciaries and align our goals with you and  
eliminate conflicts of interest.
