Learning Center

Articles

Educate yourself on a variety of financial topics.

Calculators

A host of financial tools to assist you.

Newsletters

Timely Newsletters to help you stay current.

Glossary

Financial terms from A to Z.

Tax Library

Manage your taxes and prepare for the upcoming tax season.

Videos

Short animations that focus on a variety of financial topics.

Flipbooks

These magazine-style flipbooks provide helpful information.

Philip T. Howerton, Jr. Investment Advisor Representative

We offer personalized comprehensive financial consulting to our clients. We are a source for helping them obtain long term financial health and transition wealth to subsequent generations. We have no preset agenda on what product or services to offer allowing us to listen objectively to our clients. We offer money managers for your finances based on your risk tolerance and expectations. We want to be your multi generational investment manager.

If you are not happy with your financial advisor, we offer a no obligation consultation.

Calculators

Credit Card Debt

How Long Will It Take to Pay my Balance?

IRA Eligibility

Use this calculator to determine whether you qualify for the different types of IRAs.

Loan Payoff

Newsletters

Social Security 101

An overview of basic Social Security rules and options that are often misunderstood, whether workers are looking forward to claiming benefits in 1 or 30 years.

Seeking Synergy: Why Mergers and Acquisitions Matter to Investors

How much will it cost to pay off a loan over its lifetime?

Cash Flow Analysis

This Cash Flow Analysis form will help you weigh your income vs. your expenses.

More Calculators →

Find out how and why mergers and acquisitions take place (and why they matter to investors).

ETFs on the Rise

ETFs have some attractive features that set them apart from mutual funds, but there are also cost and risk factors to consider.

What's the Real Return on Your Investments?

Tax rates, interest rates, and inflation can all cut into the value of investment dollars. This article looks at real return on investments.
