Customized Financing Solutions

Brevet's senior secured debt solutions build long term, sustainable value in our partner companies. Brevet focuses on complex situations where custom structures and years of experience allow Brevet to unlock "hidden value" for these companies. Since inception, Brevet has advised and structured over \$20 billion of transactions.

Integrity Investing

Brevet provides direct financing solutions to small and middle market companies across a wide range of industries. Since its founding in 1998, we have built our business on the principle that integrity and experience are the primary drivers for success in the financial services industry.
