

Hunt Investment Management

What We Do

Founded in 2010 and with more than \$3.6 billion in real estate assets managed, Hunt Investment Management manages investment strategies for institutional capital and the Hunt family. Hunt Investment Management runs both debt and equity strategies and is focused primarily on multifamily properties throughout the United States. The firm is able to draw on the substantial resources of operating businesses throughout the broader Hunt platform to deliver exceptional insights and investment opportunities in the multifamily space.
