

Your Best Option for Value & Performance

07:15

The Options Advantage
Watch now to learn more.

EXPERTISE

Since 1988 Gargoyle has executed sophisticated options strategies to dynamically hedge equity portfolios. Combining the market savvy of seasoned

traders with the disciplined approach of Hedge Fund Professionals, our Management Team delivers for you.

[Who We Are](#) ▶

SERVICE

Our client-centric culture is committed to providing you with the exceptional level of service that you deserve and expect.

We work with you and your advisors to construct a customized approach to enhance and protect the returns of your investment.

[What We Do](#) ▶

PERFORMANCE

Gargoyle seeks to deliver superior risk-adjusted performance to its investors through the utilization of proprietary stock-selection and option-hedging strategies.

PARTNERSHIP

At Gargoyle, we believe that teamwork and stability are the foundation of success. We are proud to partner with select Industry Leaders to provide solutions for our clients.

INSIGHT

Our innovative strategies are driven by the ongoing research needed to add value in today's marketplace.
