Market Commentary

Week in Review

With constant changes in the global and domestic economy, it can be difficult to keep up-to-date on market news. To help you make sense of current market conditions, our investment research team produces weekly and quarterly commentary discussing notable events taking place across the globe. Read our recent economic reviews.

Hear from our Chairman, CEO and Founder.

Scott Wylie explains our history and holistic approach to wealth management.

About First Western Trust

Whether you're deciding on the best financial solutions for your family or your business, First Western Trust is here to guide you. We specialize in wealth planning, investment management, trust and estate planning, and private banking. Our local experts have the knowledge and resources to protect and grow your legacy and your business. Experience our unparalleled

approach and commitment to superior service while enjoying the confidence and peace of mind that comes from selecting the right financial partner.

Investing in our communities.

It is a source of pride for all of us at First Western Trust that our collective efforts help bring our communities to life. In the last 12 years, we've been fortunate to contribute \$18.8 million in affordable housing and community development investments, donations, and sponsorships to organizations and projects making a lasting difference in countless lives.
