

Gerber Kawasaki

wealth & investment management

Whether you are an investor seeking [independent financial advice](#) or looking to take the first step to [building a financial plan](#) we are the firm for you!

We have two financial planning programs for our clients:

WEALTH BUILDING

Younger individuals and families looking to create and implement a financial plan to grow their assets.

[LEARN MORE](#)

WEALTH MANAGEMENT

Investors looking for full service, personalized investment advice and portfolio management.

[LEARN MORE](#)

Schedule a FREE consultation with an experienced GK advisor and get a FREE portfolio analysis.

Build your financial plan, do your budget, track your net worth, get our viewpoint on the news and monitor your accounts. All with help from a Gerber Kawasaki financial advisor.

All you need to know about your money in one place. Get started online or download My Money Page.

Free Initial Consultation

Meet with a Gerber Kawasaki investment advisor in the way that works for you. We will review your financial situation and build a plan to help you pursue your financial goals.
