Global Wealth Management, LLC.

Our primary mission is to help investors build long - term wealth, financial security, and peace of mind via investment portfolios That seek principal preservation, inflation hedge, growth of capital invested, and income and liquidity (where needed) - consistent with client objectives, goals, and risk tolerance. We seek to reduce portfolio volatility while consistently optimizing risk adjusted returns. Our services include financial planning and investment management. GWM services are suitable for high net worth individuals, private family offices, and pension plans for privately held companies and professional practices. GWM is registered with the US Securities and Exchange Commission as an adviser and its services are fee (only) based.
