BULLET-PROOF PASSWORDS

It is a hassle to keep track of all of your passwords. So, many people use the same username and password combination for all of their accounts. This, however, is a big mistake. All it takes is one hacker getting ahold of one of your accounts, and the rest of your accounts are now compromised. Thankfully, there is a pretty easy way around this...One way is a password manager and for those who don't trust them, try below.
