

STONE POINT CAPITAL

BUILT ON PARTNERSHIP

BUILT ON PARTNERSHIP

AT STONE POINT CAPITAL, WE ARE PARTNERS FOR THE LONG TERM.

We seek to help companies grow and build lasting value through our deep sector know-how and vast network within the global financial services industry. As one of the leading financial-services-focused private equity firms, we channel our knowledge into every partnership we form — at any stage, in any vertical, around the world.

AT A GLANCE

NETWORK WITH US

We have developed a community of investors, owner-operators, industry experts, sector specialists and thought leaders, who all work to provide our companies with support on the road to success. This community enhances our value-add as long-term partners and serves as the cornerstone of our investment approach.

FOCUS SECTORS

We have a track record of supporting companies through their entire lifecycles.

ENGAGE WITH US

We share a deep sense of optimism in people who are passionate about what they do and who seek to build exceptional businesses. We partner with owner-operators throughout their companies' lifecycles — from the point of inception to when they become market-defining and industry-leading organizations.
