

PINE STREET

ALTERNATIVE ASSET MANAGEMENT

Pine Street is an investment firm focused on delivering diversified, alpha-oriented risk adjusted returns.

Founded in 2011, Pine Street:

Created a premier investment management firm focused on emerging hedge fund managers, with a particular emphasis on woman and minority-owned managers

Identifies the best investment talent among emerging managers – helping them develop successful, institutional asset management firms

Provides institutional investors access to superior risk-adjusted returns from an under-capitalized, but outperforming niche of the hedge fund universe
