

artnering with Established Intrepreneurial Companies

⊗ SHOREVIEW

invested in over 100 companies across North America and the world.

OVEDVIEW

Founded in 2002 in Minneapolis, Minnesota, ShoreView Industries has raised over \$1.3 billion of committed capital across four funds — eliminating the need to raise third-party on a deal-by-deal basis.

ShoreView has partnered with family or entrepreneurial—owned companies across many sectors, including engineered products, distribution, industrial services, business services, and niche consumer products.

TYPES OF TRANSACTIONS

No two investments are alike — we tailor each investment to meet the diverse needs and desires of the business owner or shareholder group, including a wide range of majority and minority investment transactions.

- 100% Buyouts
- = Management-led Buyouts
- Leveraged Recapitalizations
- Winority Investments
- Industry Consolidations

OUR ROLE

ShoreView provides capital and works with company owners and managers to accomplish a variety of goals, potentially including:

- Monetize the value that the current owners have created
- Facilitate management team growth, succession and/or generational transitions
- Proactively pursue add—on acquisitionss
- Start new business operations domestically and oversease
- Fund growth initiatives

We are not operators, and we do not have operating partners. Rather, we support management's efforts from the board level.

Explore Our Portfolio

ShoreView has invested in a wide range of commercial, industrial and niche consumer products and services companies.

Our Team

The ShoreView team has a long track record of working together and investing in family and entrepreneur—owned businesses.
