

A tall, jagged rock formation in a desert landscape at sunset. The sky is a mix of blue and orange, and the ground is a flat, brownish field. The rock formation is the central focus, with a small figure visible on its side.

# Atalaya Means Watchtower

Like a watchtower, Atalaya has a unique vantage point to see the investment landscape and pursue opportunities with perspective.

Atalaya is a privately held, SEC-registered alternative investment advisory firm. Atalaya focuses on making private credit and special opportunity investments.

# ing Value to Investors

## Meeting Counterparty Needs

Across three asset classes, Atalaya originates and opportunistically purchases credit or asset-based investments through closed-end funds. These funds target either a current yield or an absolute return, seeking to capitalize on our many years of experience across investment cycles and market conditions.

### Specialty Finance

- Originating asset-based loans to specialty finance lenders
- Purchasing whole loans or participations from credit originators
- Junior capital investments, joint ventures, and other structured solutions

### Real Estate

- Originating commercial real estate debt or structured equity investments
- Purchasing mixed or sub-performing pools of commercial or residential loans or assets

### Corporate

- Providing flexible capital solutions to companies, often in underserved or credit-constrained asset classes
- Purchasing loans and other corporate credit assets across a wide variety of industries
