

Welcome to Insight Equity

Insight Equity is a private equity firm that makes control investments in strategically viable, middle market companies striving to achieve their full potential. Insight Equity's experienced principals have acquired and managed businesses with over \$4B in aggregate revenue since 2000. Insight Equity has expertise in complex or challenging situations and has the ability to execute quickly in circumstances where speed is a priority.

The firm leverages a proven collaborative value creation model to facilitate operational improvements leading to significant cash generation and growth. Insight Equity's headquarters is conveniently located near the Dallas / Ft. Worth International Airport in Southlake, Texas. The firm also has an office in New York City.
