## Parthenon Capital

Parthenon Capital (“Parthenon”) is a private equity firm that partners with and invests in management teams and their companies. We take a research-driven approach within our core sectors where we have sustainable operating and investment experience. We work collaboratively with management teams to create value by building market leaders and accelerating earnings growth through both acquisitive and organic strategies. We believe our specialization and focus allows us to better understand key issues, risks and opportunities and provide relevant resources and insights.
