

The world has changed. So has investing.

Kawa Capital Management is an independent asset manager with a broad product platform.

Kawa Products include a flagship credit hedge fund and club deals

Transparency

We offer high-level interaction with our clients and always disclose our terms upfront.

Kawa in numbers

Kawa invests in institutional quality opportunities, across sectors, focused on debt at the senior and mezzanine level and equity as co-investors. Over the past ten years, across all our liquid strategies and our specialized private “club” transactions, Kawa Capital has:

\$3 billion+

Participated in the equity or debt financing for leased Commercial Real Estate in over \$3 billion of transactions in the aggregate

\$2 billion+

traded in student loan asset-backed securities

\$1 billion+

Firmwide assets under management as of February 28 2019.

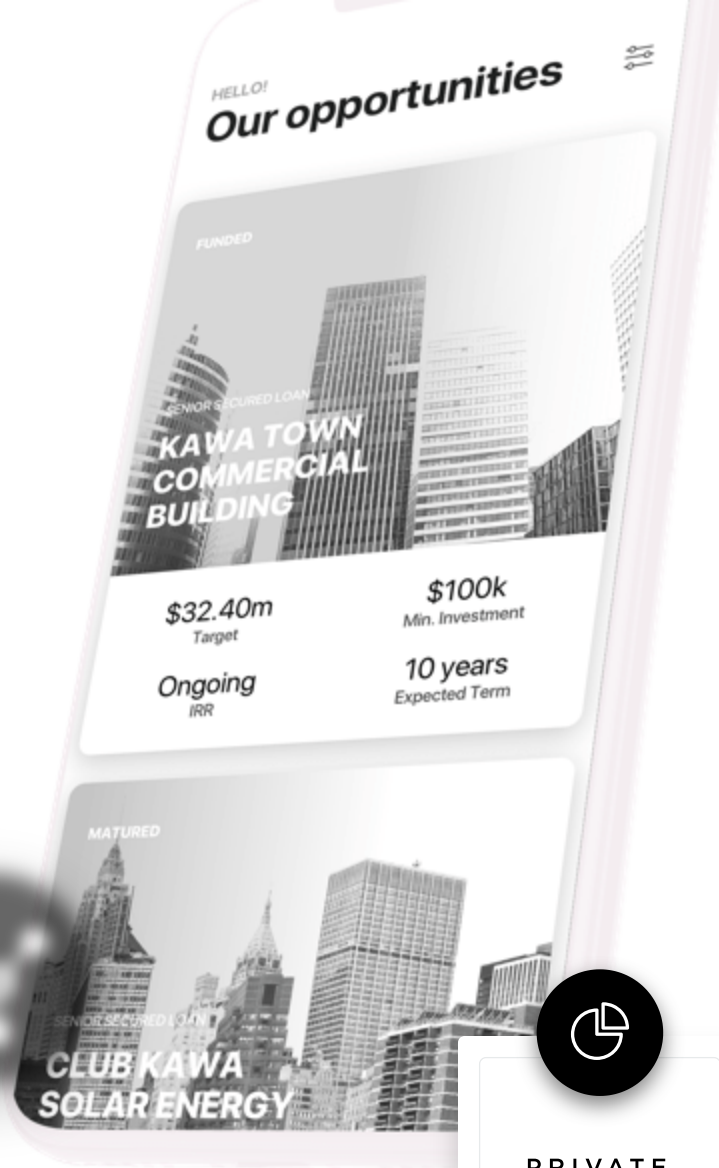

\$580 million+

participated in various mezzanine and non-conventional financing for club deals with total capital raised of over \$580 million

HEDGE
FUND

Create your own portfolio of Kawa's unique investments. We are here to help.

While you can browse the online platform anytime on your own, our team is available to answer any questions you may have, so you can hand-pick deals that are right for your portfolio.
