

SKY Harbor Global Funds is a Luxembourg-registered UCITS investment company focused exclusively on the distinctive risk/return characteristics of the below-investment-grade High Yield market. Our process is grounded in fundamental analysis, then refined by quantitative and technical assessment, to identify income potential and manage risk. Senior portfolio managers Hannah Strasser and Anne Yobage have managed high yield investments as a team through multiple market cycles for nearly three decades.

The Funds are registered in Austria, Belgium, Denmark, Finland, France, Germany, Italy (institutional only), Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and The United Kingdom with a range of currency-hedged share classes. The Funds are not registered in the US and are not available to US investors absent US registration or an applicable exemption from registration requirements.

SKY Harbor Global Funds (the "Fund") is offered in Singapore as a restricted foreign scheme pursuant to the Singapore Securities and Futures Act ("SFA") and is not otherwise authorized or recognized by the Monetary Authority of Singapore ("MAS") for sale or offers to sell to the Singapore retail public. The offer of the Units of the Fund is made pursuant to the exemptions under Sections 304 and 305 of the SFA. Accordingly, the Units of the Fund may not be offered or sold, nor may the Units be the subject of an invitation for subscription or purchase, whether directly or indirectly, to any person in Singapore other than under exemptions provided under Sections 304 and 305 of the SFA for offers made to institutional investors, and in accordance with the conditions specified thereunder.
