Somerby Senior Living residents often say that living here is a lot like being on a cruise ship. Whether it's our activities, upscale amenities or fine dining, we do whatever it takes to help our residents enjoy

every day. Plus, we make sure family members
always feel right at home.

Our associates are the heart of Somerby. They consistently exceed expectations, show love and serve with purpose to make Somerby a very special place.

Dining at Somerby

Come taste why the Somerby dining experience sets us apart from typical retirement communities. We offer two restaurants in each community – the Château Restaurant for fine dining and the Bistro for casual fare. In each, great food and conversation make every meal something to look forward to.
