Investment Philosophy (investment-philosophy/)

## Partnership with management

Kinderhook Industries, LLC is a private investment firm that manages over \$2.0 billion of committed capital.

We have made in excess of 200 investments and follow-on acquisitions since inception. Kinderhook's investment philosophy is predicated on matching unique, growth-oriented investment opportunities with exceptional financial expertise and our proprietary network of operating partners. Our focus is on middle market businesses with defensible niche market positioning in the healthcare services, environmental / business services and automotive / light manufacturing sectors. We have a track record of successfully and consistently building industry leaders.
