Do what's **right** every time.

Doing what's right, every time.

Since 2005, Golden Rule Wealth Preservation has worked with friends and neighbors throughout the greater Houston and Dallas areas to help them work toward their financial goals through investments. We are rooted in the community and have developed our business by creating close, personal relationships with our clients. Whether it's what to do with your 401(k) or how you can leave a legacy to your loved ones, we want to help you address your financial concerns.

The projections used, including inflation rates and investment rates of return, are estimates only and in no way guarantee future performance. The assumptions and calculations are estimates and are meant to serve solely as a guideline. If any assumptions used in these materials are not realized, then the calculations will be inaccurate. There is no express or implied guarantee or warranty that any result shown will be achieved. Any statements or recommendations regarding annuities are solely those of Golden Rule Wealth Preservation. Annuity guarantees are based on the claims-paying ability of the issuing insurance company. Annuity rates of return are based upon annuity contracts that are currently available in the marketplace. Actual rates of return will depend upon the specific terms of the annuity contract entered into between the client and insurance company. Rates of return on certain fixed indexed annuities may be calculated differently than the relevant market index and result in a lower return. Certain annuity features may require additional conditions and costs, and surrender charges for early withdrawals may result in a loss of principal. Withdrawals of earnings may be subject to ordinary income tax and, if taken prior to age 59½, may be subject to a 10 percent federal tax penalty.
