HEALTHCARE ASSETS
MANAGEMENT

NexPoint Capital, Inc.

Investing in America's Growing Healthcare Economy

NexPoint Capital, Inc. is a non-traded business development company ("BDC") that seeks to provide investors access to the unique opportunities offered by the historic changes to our nation's healthcare economy as a result of significant demographic and governmental changes.

Primarily through debt investments in middle market companies (annual revenue between \$50 million and \$2.5 billion) and larger private healthcare companies, NexPoint Capital provides investors an opportunity to invest in the growing American healthcare economy through a professionally managed alternative investment vehicle managed by an institutional investment firm with \$9.9 billion in assets under management and a specialized expertise in the American healthcare economy.

Highland Capital Fund Distributors, Inc., member [FINRA](#), is the dealer manager for the NexPoint Capital offering.

Estimated annual fund expenses as a percentage of the average net assets attributable to common stock are 5.9%. Expenses and fees are described more fully in the prospectus. Annual expense ratio ca

secured by

in the prospectus and based on public offering price in effect on such date. Please consult the prospectus and read it carefully.
