

One Stone Energy Partners is a private equity fund based in New York. The fund is focused on investments in natural resources, primarily oil and gas, and related businesses.

One Stone's geographic areas of interest include North and South America, Europe and Africa.

The principals of the fund have over 130 years of experience investing in, managing and advising energy-related businesses and share more than 20 years of professional collaboration. One Stone has a unique group of limited partners, the majority of whom are industry insiders. Our limited partners provide proprietary deal flow, technical resources and contacts throughout the industry both in the U.S. and abroad.

Bob Israel and Vadim Gluzman are the managing members of One Stone Energy Partners.
