

Understanding Today's Financial Environment

Welcome to MKT Advisors! After years of working with large brokerage houses, the three founders of MKT (Marc, Kent, and Tim) decided to start their own Registered Investment Adviser firm. We have over 60 years of combined experience in the financial services industry, proven skills dealing with different market cycles and we take pride in providing our clients personalized service and wealth management advice. We are located in the Escondido area of San Diego, California, but serve clients nation-wide.

Our clients include professionals, business owners, and retirees that not only want to grow their assets, but protect them.

If you want tailored, straight-forward investment advice and personalized service that focuses on your needs and financial objectives, call us at (760) 658-8780.
