## Understanding Today's Financial Environment

- Do you have multiple 401k's from previous employers, or have accounts with different financial institutions?
- Do you truly know where you stand with your retirement goal, or are you crossing your fingers and hoping you have done the right thing?
- Do you know how much money you need on an annual basis in retirement and if your current assets will give that to you?
- Is your family taken care of and know where your important documents are, should something happen to you?
