## Understanding Today's Financial Environment

Welcome to Stauros Financial. Here at Stauros, we understand that individuals face unique challenges as they prepare for retirement or any other financial goal they face. We can help take the mystery out of preparing for today and tomorrow. Whether your goal is saving for retirement, college savings, or estate strategy, our personalized service focuses on your needs, wants, and financial goals.

Our professionals have many years of experience in financial services. We can help you address your needs of today and for the years to come. We look forward to working with you through all stages of your life - please feel free to book a complimentary consultation at the link below or call us: In Kansas City at (816) 200-7551 and in St. Louis at (636) 244-4250.

### Services

Investments

Inflation is wealth's silent killer. Disciplined, strategic investment of assets can play a key role in your financial plan. A mix of taxable and tax-deferred savings can help you pursue your long-term goals.

### **Financial/Estate Planning**

No guess-work here. Proper management of finances, wealth and estates is of strategic importance to any financial plan. We employ planning strategies and analysis to help you proactively seek your goals.

### **Insurance**

Accept risk? Transfer it? Ignore it? Accounting for life's risks is essential to any comprehensive financial plan. It can protect you and your family from undue hardship or enhance your estate planning goals.

### **Guided Wealth Portfolios**

Prefer a higher tech and/or online investing solution at lower minimums? Invest for your future with our new online platform that combines the benefits of a personal financial advisor with sophisticated technology.
