

UNCOMMON CLARITY IN HEALTHCARE

A leading investment bank and principal investor that creates opportunities to fuel innovation and growth.

INVESTMENT BANKING

CREATING STRATEGIC OPTIONS DESIGNED TO DELIVER RESULTS

We have been enhancing and advancing the short and long-term positions of innovative and high-growth healthcare businesses since 1997. We are a trusted partner for mergers and acquisitions, recapitalizations, growth capital, and strategic advisory services.

Investment banking services offered through TripleTree, LLC, member [FINRA](#)/SIPC. For additional disclosures, click [here](#).

CAPITAL PARTNERS

INVESTING IN INNOVATION AND INDUSTRY DISRUPTION

We are a source of capital, expertise, and strategic insights for healthcare technology and services companies on a path to innovate and disrupt the ways in which healthcare is delivered, managed, and consumed.

LEARN MORE

OUR UNIQUE DNA + INDUSTRY RELEVANCE DELIVERS:

STRATEGIC THINKING

TripleTree took a strategic, long-term, approach to their investment banking engagement with us. They helped us think through options and find the right complementary partner, at the right time.

- Dr. Seth Flam, CEO HealthFusion

VALUABLE CONNECTIONS

TripleTree's focus and experience in healthcare has made them a good strategic partner to CVS Health, allowing us to explore new companies and

capabilities aligned with our long-term growth strategy — while being exposed to some of the most innovative companies in healthcare.

- Larry Merlo, President & CEO, CVS Health

SUCCESSFUL OUTCOMES

TripleTree was able to connect all the dots to build mutual value for our company and the acquirer. They helped close the deal in a way that helped both sides succeed.

- Greg Foster, CEO BrightWhistle

100% HEALTHCARE FOCUS

You want a partner who knows the industry. Our insights, operating experience, and investment banking and investing expertise come from a team of 50+ professionals who know nearly everyone, and everything about healthcare.

HEALTHCARE IT & OUTSOURCING SOLUTIONS

Leverage our unparalleled expertise in healthcare technology, including value-based care enablement, analytics, interoperability, revenue cycle management, electronic medical records and other healthcare technology sectors.

HEALTHCARE SERVICES

Our knowledge and experience across healthcare services guides the successful execution of transactions in benefit and network management, post-acute care, multi-site services, care optimization, pharmacy services, and a multitude of other sectors.
