A Team Approach To Aging With Dignity

Our goal is to enable our clients to maintain their dignity and independence as long as possible. We design, implement, and monitor a personalized plan to meet the specific needs of each client, specializing in personal financial management, private trust administration, estate settlement, court appointed

guardianship/conservatorship, power of attorney, and property management.

Special Services

CFS extends their services to families and beneficiaries of clients who have passed away. The administration of an estate can be difficult during a time of grief or when family and friends live far away.

CFS staff will administer the estate competently and in a timely manner by combining their knowledge of the probate system and range of experience.
