Black Maple Capital is an event-focused alternative investment manager formed in 2013. Black Maple Capital combines the creativity and agility of a boutique manager with the expertise and infrastructure of a well-established institution. The core of our experienced team has successfully worked together for many years through a wide range of market environments. Our team is comprised of multi-disciplinary professionals with proven credit, distressed, event equity and derivatives expertise.

Black Maple Capital's investment approach reflects our contrarian, value-conscious and event-focused investment principles. We emphasize rigorous fundamental analysis, generally complimented with various combinations of event analysis, scenario analysis and quantitative analysis.
