## What Makes Us Different?

Can you imagine a financial planning and investment firm that uses a custom family index to guide your investment portfolio in a completely objective manner? With a limited number of clients, and in-house specialist managing your financial affairs? We did, and that's exactly why we created Flaharty Asset Management.

Have you ever asked yourself what a "Fiduciary Standard of Care is" and why it means so much to our clients. If you haven't – you should.
