

OUR INVESTMENT PHILOSOPHY

Opportunistic approach to investing across credit,
structured debt or equity instruments and private equity

Experienced

Creative Solutions

Our Founding Partners have been investing together for approximately two decades with a broad range of investments in quality businesses across industries and economic cycles.

Industry Expertise

We focus on industries where our investment team has accumulated decades of knowledge and a strong network of relationships through control-oriented investments.

Our flexible and long-term capital allows Nexus to work with companies and management teams to solve problems with bespoke capital solutions aligned with value creation for all stakeholders.

Patient

We believe building a business takes time and a patient approach is essential to creating value through varying economic cycles.
