Pre-retirement planning

"Michigan Retirement Group Empower Effective Preretirement Planning The team at Michigan Retirement Group has great experience in helping a broad range of clients meet their retirement objectives. These experienced experts understand that many working professionals don't always have a set timetable for their retirement. And therefore, they work with clients to help them analyze the opportunities available to them, as well as devise strategies to mitigate the risks that could prevent them from reaching their target objectives. The personal...

Rollover Experts -IRA, 401K, 403b,457, TSP and more!...

"Michigan Retirement Group – Actionable Advice on the Latest Financial Products The latest studies show that only 10% of working professionals will retire with defined benefits plans. These plans used to be standard within the private sector, but the evolving corporate environment now means that employer-sponsored financial comfort zones are in the past. This means that retirees must begin planning for a successful future in retirement utilizing primary savings tools such as 401(K) products and IRA rollovers. Working with...
