

Rockshelter Capital Management, LLC

is an employee owned, SEC registered investment advisor located in the Southpointe business park. Southpointe is located 10 miles south of Pittsburgh near Canonsburg, PA. We serve as the asset manager to long only, separately managed accounts on behalf of individuals, pension and profit sharing plans, trusts and endowments. The advisory services provided to all clients include portfolio management, investment research, trading, proxy voting and client service. Our objective is to generate superior investment performance over time through a disciplined, value driven investment approach utilizing a rigorous, fundamental process based on independent thought and research.
