Why LendingRobot?

Higher Returns

Sophisticated machine learning algorithms enable LendingRobot to consistently outperform the market.

Lower Risks

Diversification across thousands of notes from multiple origination platforms* helps to bring stable and predictable returns.

Less Effort

Being a smart investor in Alternative Lending is almost a full-time job. With LendingRobot, investing is automatic and setup takes just a few minutes.

More Flexibility

LendingRobot allows you to choose your own risk preference and investment time horizon. We take care of the rest.

Better Liquidity

LendingRobot's unique, accelerated cash-out mechanism can improve liquidity with no added cost.

Lower Fees

LendingRobot offers the sophistication of a private fund at the cost of a robo-advisor. There are no performance fees and no redemption penalties.

*LendingRobot Series and Professional only

Three products, one goal:
the best fixed-income investment
you can make

Series

The first robo-fund for alternative lending. Fully managed algorithmic investment across multiple platforms.

Professional

The flexible and transparent alternative lending solution for wealth managers.

Classic

Automated management of your existing LendingClub, Prosper or Funding Circle accounts.
