## Generating Wealth For Generations

Grenda Group is a locally owned family business and our goal is to be a trusted partner to the individuals and families we serve. We founded our firm to put into practice our philosophy of simple, common sense investing that puts our clients and their needs at the center of everything we do.

We know that you have worked hard for your money and the wealth you have accumulated represents decades of sacrifice, saving, and prudence. We can help you use your wealth to build a comfortable lifestyle, achieve personal goals, and leave a legacy to your loved ones.
