QMS has ranked as a Top 10 Hedge Fund for Q1, 2017 and #3 in the Past Three Years category for Q1, 2017 by Barclay Managed Funds Report ("BMFR"). To be eligible, no fee is required, funds report performance 3 business days prior to month end and are ranked against submissions in their respective categories; the number of submissions is not disclosed. The BMFR is published on a quarterly basis and features 21 hedge fund ranking categories. Rankings are only one form of performance measurement and past performance may not be indicative of future results or representative of all client experiences. These awards do not include the entire universe of fund managers; submissions are voluntary and performance results are not independently verified.
