

JEFFREY PERRY

ABOUT JEFFREY

Serving people is in Jeffrey's blood.

Perhaps it can be traced back to his grandfather who was a financial advisor 40 years ago. Or maybe it was his father who invited him to start making financial decisions in his teens. And it's certainly reflected in Jeffrey's faith and his interest in mentoring young men.

Whether you need help with your financial plan or just an investment idea, Jeffrey believes it's crucial to lead by example and instill integrity in all he does. This is why he created ClearPath Advisors located in Potomac Falls, Va.

Jeffrey is a member of the Rotary Club of Ashburn and is actively involved in the Big Brother mentoring program. Be sure to ask him about one young man in particular that he's had the privilege of getting to know and support. He's also an active member of the McLean Bible Church.
