Retire in Style and Comfort

Peace of Mind comes from knowing that your retirement assets generate predictable income each and every year, without the risks of the stock market. John McCartin of **McCartin Financial** has made a commitment to stay educated and knowledgeable about the solutions to the financial challenges of retirement planning. John is a strong client advocate and demonstrates a passion for the services he provides by implementing them in a warm, caring and compassionate manner that generates a high degree of client satisfaction.

McCartin Financial is a professional firm designed to assist retirees in helping to protect their assets and standard of living. Rather than offering a wide variety of retirement planning services, we believe we can best respond to our clients' needs by focusing on a specific range of financial issues and opportunities.

McCartin Financial specializes exclusively on meeting the financial needs of those age 50 and over.

San Diego retirees have trusted John with their retirement planning for nearly 30 years – Give him a call today at 858-278-4244.
