ABOUT AFP

Here at Affiliated Financial Planners, our goal is for every client to have faith in their finances. That means different things to different people, but one thing we all have in common is our inherent desire to protect and provide for ourselves and our families. We help our clients to be good stewards of their resources by using an approach that's rooted in biblical wisdom, including time honored principles like paying off debts, saving for the future, and giving generously. Our team has decades of experience in estate planning, tax planning, and wealth management, and we'll work with you to help you enjoy what you have now while properly planning for the future. No matter what season of life you're in, whether you have more than enough or not enough, know that we care and we're here to help.
