Insurance Needs in Retirement

Your goals and priorities will probably change as you plan to retire. Along with them, your insurance needs may change as well. Retirement is typically a good time to review the different parts of your insurance program and make any changes that might be needed.

Designating a Beneficiary for Life Insurance

~~A beneficiary is the person or entity you name (i.e., designate) to receive the death benefits of a life insurance policy. Some states require that your beneficiary have an insurable interest in your life or be related to you, while others have no such restrictions.~~
