

LAZARUS

ECONOMICS & STRATEGY (<http://www.lazaruseconomicsandstrategy.com/>)

RIGOROUS

Lazarus Economics & Strategy provides a rigorous and detailed statistical analysis of a broad range of indicators across the major economic geographies. We maintain comprehensive databases which have been developed over many years to cater for the evolving needs of our clients. Our Briefing products provide clients with a timely and accessible analysis of developments in an exhaustive range of economic and financial market indicators. We are committed to fostering long-term relationships with a small number of clients through a transparent subscription-based service and are passionate about delivering the highest client service.

OUR PRODUCTS

We have a selection of different subscriptions, depending on clients' requirements.
