

TAILORED SOLUTIONS
FLEXIBLE MANDATE
PATIENT CAPITAL

Tracing its roots to the Eccles family of Utah, The Cynosure Group is an independent alternatives asset manager and advisor that makes long-term investments on behalf of families, foundations, and other like-minded institutions.

Cynosure's collaborative solutions focus on alternative asset classes and range from select direct investment opportunities in profitable small to mid-sized companies, to comprehensive portfolio

investment opportunities in profitable small to mid sized companies, to comprehensive portions
construction and allocations.

The name of the firm, Cynosure, commemorates the sailing vessel that brought
David Eccles and his family to America in 1863 from their home in Scotland.
