FAQs

Who is JarredBunch?

Invst is a division of JarredBunch Consulting LLC an SEC (Securities and Exchange Commission) Registered Investment Adviser and provides portfolio management and related services for a fee. Nothing in this website should be considered a solicitation to buy or an offer to sell shares of any security or service in any jurisdiction where the offer or solicitation would be unlawful under the securities laws of such jurisdiction. Investing in stocks and other risk assets could result in losses and positive returns are not guaranteed. Diversification only reduces risk of capital loss but does not eliminate these risks. Expected returns, expected risk, and long-term targeted returns are not forecasted returns or risks but are only statistical definitions for modeling purposes. Actual results could vary materially from these returns and could result in losses. Financial assets are also exposed to potential inflation and liquidity risks. Past performance is not indicative of future results, and all investments could lose value in the future. At a given time, any risk asset class or asset may lose value and result in substantial losses. JarredBunch does not make any assertions, estimates or guarantees about future results.
